## A LITTLE BIT OF HUMOR.....

A teenage boy had just passed his driving test and inquired with his father as to when they could discuss his use of the family car.

The father offered his son the following deal. "You bring your grades up from a C to a B average, study your Bible a little, and get your hair cut, then we will talk about the car."

The boy thought about it for a moment, decided he would settle for the offer and they agreed on it.

**Page 8.**

After about six weeks his father said, "Son, you've brought your grades up and I have observed that you have been studying your Bible, but I am disappointed that you haven't had your hair cut."

The boy said, "You know Dad, I've been thinking about that, and I have noticed in my studies of the Bible that Samson had long hair, Moses had long hair, and there is even strong evidence that Jesus had long hair."

Dad replied, "Did you also notice they all walked everywhere they went!"

In a trial, a Southern small-town prosecuting attorney called his first witness, a grandmotherly, elderly woman to the stand. He approached her and asked, "Mrs. Jones, do you know me?" She responded, "Why, yes, I do know you, Mr. Williams. I've known you since you were a boy, and frankly, you've been a big disappointment to me. You lie, you cheat on your wife, and you manipulate people and talk about them behind their backs. You think you're a big shot when you haven't the brains to realise, you'll never amount to anything more than a two-bit paper pusher. Yes, I know you."

The lawyer was stunned. Not knowing what else to do, he pointed across the room and asked, "Mrs. Jones, do you know the defence attorney?"

**Page 9.**

She again replied, "Why yes, I do. I've known Mr. Bradley since he was a youngster, too. He's lazy, bigoted, and he has a drinking problem. He can't build a normal relationship with anyone, and his law practice is one of the worst in the entire state. Not to mention he cheated on his wife with three different women. One of them was your wife. Yes, I know him."

The defence attorney nearly died.

The judge asked both counsellors to approach the bench and, in a very quiet voice, said, "If either of you idiots asks her if she knows me, I'll send you both to the electric chair."
